B.P.O.E. #58 – DAYTON, OHIO

Fellow Elks,

Like most of you, I am extremely busy this time of year. It is difficult to get to the lodge when there are so many things going on, but I urge all to do your best to come in and enjoy a drink after whatever activity you may have taken part in.

We had several great events in June, but the highlight was the golf outing. We had 120+ golfers, some great and some not so great (me), and several volunteers. Thanks to all who took part and volunteered as help, especially "hats off" to Keith Parsons and Sharon and Arlene Dorgan. It was a great time.

The bar bingo has been going well, and we still have the Wednesday dinners continuing, so there are things going on.

We must remember that the existence of our lodge is in the hands of all of us. All must do all they can to recruit new members, participate in events, and come down to see Rick at the bar. Every little bit helps. Think of the Dayton lodge for your after dinner entertainment, your happy-hour hang out, or just when there is nothing else to do. All Elks are welcome. all of the time.

At the time I address you next I will have participated in my first National Convention and hopefully will bring back some new ideas and some ways to improve our events and organization as a whole. I look forward to sharing with the lodge all that I have learned.

Make sure to check out all the events for July, as we will continue to have several things going on. Have a safe and happy Fourth of July and look forward to the month of July.

I look forward to seeing you all at the lodge.

In Brotherhood,

Barb Brusaw, Newsletter Editor

Hello Elkettes:

Hot enough for you? Remember in the winter when we were wishing it was warmer?

Our Grand Victoria bus trip was fun. We had a few people who came back home with more money than they went with. A big thank you to Betty Karns for planning all our bus trips. Betty does a great job! Much appreciated.

The Wednesday afternoon card group donated \$52.00 to add to the money collected at the Elks Golf Outing for United Cerebral Palsy. All totaled up to \$203.00. Good job everyone and thanks.
